## The Popular Colour Prediction Game

The highlight of Tiranga Game is the **colour prediction game**, which is simple, fast, and exciting. This game doesn't require any special skills or experience, making it suitable for players of all ages.

### How the Game Works

Each round lasts for 60 seconds. During this time, players must choose one colour from three options:

- Red
- Green
- Violet

After selecting the colour, players place a bet and wait for the timer to end. Once the countdown finishes, the system announces the winning colour. If the chosen colour matches the result, the player wins money instantly.

### **Winning Structure**

- Red or Green – double payout (2x)
- Violet – higher payout (up to 4.5x)

Because rounds are short, players can join multiple games in a short time. The quick results keep the excitement alive and make the experience more engaging.
